BREAKFAST

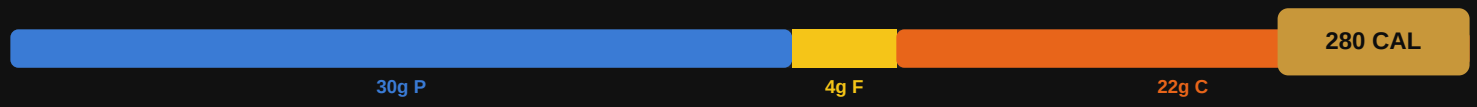
11 RECIPES

SWEET EGG SCRAMBLE

■ 10 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG



INGREDIENTS

- 3 egg whites
- ½ scoop vanilla protein powder
- 2/3 cup frozen berries
- 2 stevia packets
- ¼ tsp vanilla extract
- Dash of cinnamon

NUTRITION FACTS

Calories	280
Protein	30g
Total Fat	4g
Carbohydrates	22g
Fiber	3g
Sugar	14g
Sodium	180mg

DIRECTIONS

01 ■ **PREP**
Grease skillet with cooking spray and bring to medium heat.

02 ■ **MIX**
Whisk egg whites, protein powder, vanilla & cinnamon in a bowl.

03 ■ **COOK**
Pour onto skillet. Once halfway set, add berries and scramble until fully cooked.

■ **PRO TIP**
Top with Walden Farms Pancake Syrup for extra sweetness without the sugar hit.

■ **40+ SCIENCE**
Egg whites deliver complete protein with minimal fat — ideal for 40+ metabolisms that need prot
ein without the caloric load of whole eggs.

EGG WHITE OMELET

■ 15 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG

INGREDIENTS

- 1¼ cup egg whites
- Handful of spinach (torn)
- 2/3 cup raw chopped sweet potato
- Pico de gallo to taste
- Dash cinnamon
- 2 stevia packets

NUTRITION FACTS

Calories	260
Protein	28g
Total Fat	2g
Carbohydrates	30g
Fiber	4g
Sugar	8g
Sodium	200mg

DIRECTIONS

01 ■ **POTATO**
Poke holes in sweet potato, spray with PAM, microwave on potato setting.

02 ■ **SAUTÉ**
Bring greased skillet to medium heat. Sauté spinach until wilted.

03 ■ **FINISH**
Add egg whites on top. Flip halfway. Top with pico de gallo.

■ **PRO TIP**
Top sweet potato with cinnamon and stevia instead of butter — just as satisfying.

■ **40+ SCIENCE**
Sweet potato provides complex carbs with a low glycemic response, supporting stable energy leve
ls — especially important for 40+ blood sugar management.

SAVORY TURKEY BAKE

■ 20 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG

INGREDIENTS

- 3 oz cooked ground turkey
- 3 egg whites
- 1 cup finely chopped cauliflower/broccoli
- ½ cup oats
- Garlic salt to taste

NUTRITION FACTS

Calories	310
Protein	34g
Total Fat	8g
Carbohydrates	22g
Fiber	4g
Sugar	2g
Sodium	320mg

DIRECTIONS

01 ■ **MIX**
Combine all ingredients in a medium mixing bowl and whisk thoroughly.

02 ■ **PORTION**
Pour evenly into 2–3 muffin tins or a single oven-safe dish.

03 ■ **BAKE**
Bake at 350°F for 8–10 minutes. Serve with hot sauce of choice.

■ **PRO TIP**
Make a batch of 6 on Sunday — they refrigerate perfectly for a grab-and-go breakfast all week.

■ **40+ SCIENCE**
Combining eggs and turkey creates a complete amino acid profile that signals muscle protein synthesis — critical for maintaining lean mass after 40.

BLUEBERRY OVERNIGHT OATS

■ 5 MIN + OVERNI

■ 1 SERVING

PROTEIN FAT CARBS VEG

295 CAL

24g P 3g F 40g C

INGREDIENTS

- 1½ cup fat-free Greek yogurt
- ¼ cup oats
- ¼ cup berries
- 1 tsp vanilla extract
- 2 stevia packets

NUTRITION FACTS

Calories	295
Protein	24g
Total Fat	3g
Carbohydrates	40g
Fiber	4g
Sugar	18g
Sodium	80mg

DIRECTIONS

01 ■ LAYER
Mix Greek yogurt with vanilla & stevia. Microwave oats with water until cooked.

02 ■ JAR
Put oatmeal at the bottom of an overnight jar. Add frozen berries on top.

03 ■ SET
Top with Greek yogurt. Refrigerate overnight and grab in the morning.

■ PRO TIP
Add chia seeds for extra omega-3s and a thicker, more satisfying texture.

■ 40+ SCIENCE
Greek yogurt's probiotics support gut health, which directly impacts nutrient absorption — a ke y factor as digestive efficiency naturally declines after 40.

GUILT FREE FRENCH TOAST

15 MIN | 1 SERVING

PROTEIN | FAT | CARBS | VEG

INGREDIENTS

- 3 slices Ezekiel bread
- 1¼ cup egg whites
- 1 tsp vanilla
- Dash of cinnamon
- Dash of salt

NUTRITION FACTS

Calories	300
Protein	28g
Total Fat	4g
Carbohydrates	36g
Fiber	6g
Sugar	3g
Sodium	280mg

DIRECTIONS

01 **TOAST**
Lightly toast Ezekiel bread in toaster oven.

02 **SOAK**
Whisk egg whites with vanilla, cinnamon & salt. Soak bread slices in mixture.

03 **COOK**
Cook soaked bread on greased skillet at medium heat. Flip until eggs are fully set.

PRO TIP
Top with Walden Farms Pancake Syrup — zero calories, zero sugar, full satisfaction.

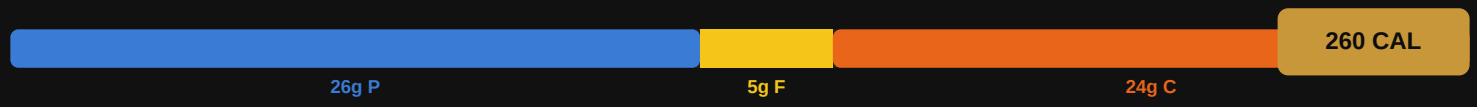
40+ SCIENCE
Ezekiel bread is made from sprouted grains which significantly reduces the glycemic response co mpared to regular bread — ideal for managing insulin sensitivity after 40.

EGG WHITE MCMUFFINS

20 MIN

2–3 MUFFINS

PROTEIN FAT CARBS VEG



INGREDIENTS

- 1¼ cup egg whites
- 1 leafy veggie of choice (cooked)
- 1 solid veggie of choice (cooked)
- ½ cup oatmeal
- 1 tsp baking powder
- Dash of salt

NUTRITION FACTS

Calories	260
Protein	26g
Total Fat	5g
Carbohydrates	24g
Fiber	3g
Sugar	2g
Sodium	240mg

DIRECTIONS

01 **MIX**
Combine all ingredients in a single bowl and mix thoroughly.

02 **POUR**
Portion evenly into 2–3 greased muffin tins.

03 **BAKE**
Bake at 350°F for 10–12 minutes until cooked through. Top with sauce of choice.

PRO TIP
Try spinach + diced peppers. These store in the fridge for 4 days — meal prep gold.

40+ SCIENCE
Oats in this recipe provide beta-glucan fiber that supports cardiovascular health — particularl
y beneficial for 40+ adults managing cholesterol levels.

SAVORY BREAKFAST OATS

■ 15 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG

INGREDIENTS

- ½ cup oatmeal
- 6 oz ground turkey
- 1 handful spinach
- ¼ cup water
- Balsamic vinegar to taste
- Garlic salt to taste

NUTRITION FACTS

Calories	340
Protein	36g
Total Fat	8g
Carbohydrates	28g
Fiber	3g
Sugar	4g
Sodium	380mg

DIRECTIONS

01 ■ **TURKEY**
Grease skillet and bring to low-medium heat. Add ground turkey and cook halfway.

02 ■ **OATS**
Drizzle balsamic vinegar on turkey, then add oats and water. Cook until thick.

03 ■ **FINISH**
Add spinach, drizzle more balsamic. Remove from heat when spinach shrivels.

■ **PRO TIP**
This sounds unconventional but tastes incredible — think of it like a savory porridge bowl
.

■ **40+ SCIENCE**
Starting the day with both protein and complex carbs stabilizes cortisol levels — crucial for 4
0+ adults whose stress hormone regulation naturally becomes less efficient.

CAULIFLOWER BREAKFAST PIZZA

20 MIN | 1 SERVING

PROTEIN | FAT | CARBS | VEG

INGREDIENTS

- 1 cup finely diced cauliflower
- 1¼ cup egg whites
- ½ cup ground oats
- ½ small tomato, sliced
- Oregano and salt to taste

NUTRITION FACTS

Calories	270
Protein	24g
Total Fat	5g
Carbohydrates	28g
Fiber	5g
Sugar	5g
Sodium	220mg

DIRECTIONS

01 STEAM
Add ¼ cup water to cauliflower and steam 5 minutes at medium power until soft.

02 MIX
Combine cauliflower, ground oats, egg whites, oregano & salt in bowl.

03 COOK
Pour on greased skillet, cover with lid for 4–5 min, flip and cook until firm.

PRO TIP
Top with salsa or a drizzle of hot sauce for a full breakfast pizza experience.

40+ SCIENCE
Cauliflower is rich in sulforaphane, a compound that supports the body's natural anti-inflammatory response — key for joint health after 40.

BLUEBERRY CHEESECAKE BOWL

■ 5 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG

INGREDIENTS

- 1 cup cottage cheese
- ½ scoop vanilla protein powder
- 1½ cup frozen berries
- 2 stevia packets

NUTRITION FACTS

Calories	250
Protein	28g
Total Fat	5g
Carbohydrates	22g
Fiber	3g
Sugar	12g
Sodium	320mg

DIRECTIONS

01 ■ **BLEND**
Puree cottage cheese with protein powder and stevia in a food processor.

02 ■ **ADD**
Fold in frozen berries and combine.

03 ❄■ **SET**
Serve immediately, or freeze 10–15 minutes for a thicker, cheesecake-like texture.

■ **PRO TIP**
Use a mix of blueberries and raspberries for a tart, complex flavor profile.

■ **40+ SCIENCE**
Cottage cheese is one of the best sources of casein protein, which digests slowly — providing s ustained amino acid release that supports overnight muscle repair for 40+ bodies.

PROTEIN PANCAKES

15 MIN | 1 SERVING

PROTEIN | FAT | CARBS | VEG

INGREDIENTS

- ½ cup oatmeal
- ½ cup cottage cheese
- 3 egg whites (2/3 cup)
- 2 packets of stevia
- Cinnamon to taste

NUTRITION FACTS

Calories	320
Protein	30g
Total Fat	8g
Carbohydrates	28g
Fiber	3g
Sugar	5g
Sodium	290mg

DIRECTIONS

01 **BLEND**
Mix all ingredients in bowl or puree in food processor for smoother texture.

02 **COOK**
Cook on greased skillet at medium heat for about 2 minutes per side.

03 **SERVE**
Flip when bubbles form and cook until firm. Top with Walden Farms Syrup.

PRO TIP
For fluffier pancakes, let the batter rest 2 minutes before cooking.

40+ SCIENCE
The oat and egg white combo in these pancakes creates a low-glycemic, high-protein breakfast th
at supports both muscle maintenance and stable blood sugar — two priorities after 40.

THE ULTIMATE BREAKFAST SANDWICH

15 MIN | 1 SERVING

PROTEIN | FAT | CARBS | VEG

INGREDIENTS

- 3 slices Ezekiel bread
- 1 cup spinach
- 1 small sliced tomato
- 6 egg whites
- Balsamic vinegar
- Sriracha to taste

NUTRITION FACTS

Calories	310
Protein	34g
Total Fat	5g
Carbohydrates	32g
Fiber	5g
Sugar	4g
Sodium	340mg

DIRECTIONS

01 **TOAST**
Toast Ezekiel bread to desired level.

02 **SAUTÉ**
Cook spinach in balsamic vinegar on low-medium heat until it shrinks.

03 **ASSEMBLE**
Add egg whites on top of spinach, cook until firm. Stack with toast and tomato.

PRO TIP
Sriracha on this one is non-negotiable — it ties the whole sandwich together.

40+ SCIENCE
Balsamic vinegar contains polyphenols that support cardiovascular health and blood pressure regulation — both critical health markers to manage after 40.

MAINS

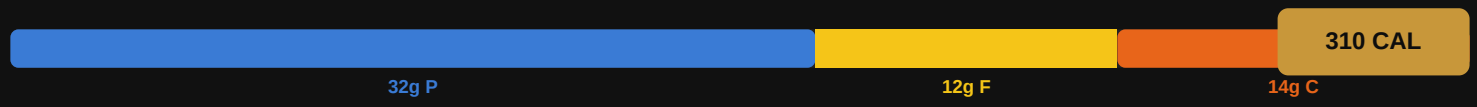
25 RECIPES

SEARED SCALLOPS WITH SPROUTS

■ 20 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG



INGREDIENTS

- 6 oz scallops
- 2 tbsp olive oil (divided)
- 2 tbsp rice wine vinegar
- 1 cup diced brussels sprouts
- ½ cup sauerkraut (optional)

NUTRITION FACTS

Calories	310
Protein	32g
Total Fat	12g
Carbohydrates	14g
Fiber	4g
Sugar	3g
Sodium	520mg

DIRECTIONS

01 ■ **HEAT**
Heat oil in skillet over medium-high until shimmering.

02 ■ **VEGGIES**
Add brussels sprouts, season with salt and pepper, stir continuously 5–6 min.

03 ■ **FINISH**
Stir in vinegar, scrape up brown bits, transfer to plate. Sear scallops 2 min per side.

■ **PRO TIP**
Pat scallops completely dry before searing — moisture is the enemy of a good crust.

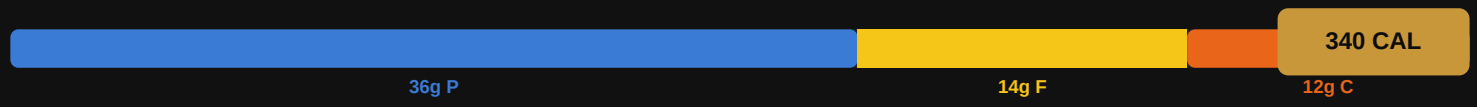
■ **40+ SCIENCE**
Scallops are rich in zinc and vitamin B12, both of which support testosterone production and co gnitive function — two areas that benefit from nutritional support after 40.

STIR FRY CABBAGE AND PORK

■ 15 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG



INGREDIENTS

- 6 oz pork (cooked and shredded)
- 2 tbsp Kerrygold butter
- ½ cup chopped celery
- 2 cups shredded cabbage
- 1/3 cup chopped onion
- 4 tbsp Bragg's soy alternative

NUTRITION FACTS

Calories	340
Protein	36g
Total Fat	14g
Carbohydrates	12g
Fiber	4g
Sugar	5g
Sodium	680mg

DIRECTIONS

01 ■ **HEAT**
Heat butter in skillet until bubbly. Add celery and cook 1 minute.

02 ■ **VEGGIES**
Add cabbage and onion, stir-fry until tender-crisp, 2–3 minutes.

03 ■ **FINISH**
Add pork, pour in Bragg's, salt to taste. Stir well and cook 1 more minute.

■ **PRO TIP**
Use Kerrygold grass-fed butter specifically — the fat profile is measurably better for you
.

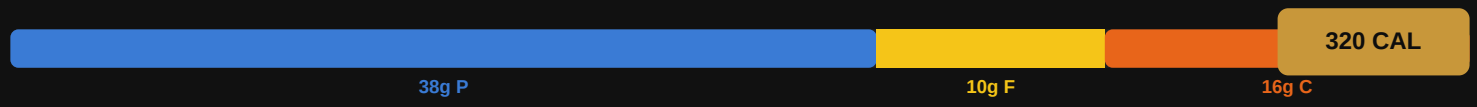
■ **40+ SCIENCE**
Cabbage is one of the most nutrient-dense, low-calorie vegetables available, providing glucosin
olates that support liver detoxification — increasingly important as metabolic rate slows after 40.

LEAN STUFFED PEPPER

■ 35 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG



INGREDIENTS

- 6 oz cooked ground turkey
- 2 tbsp coconut oil
- 1 green pepper
- ¼ cup chopped onion
- 1/3 cup diced tomato
- Parsley, oregano, basil, rosemary, sea soned salt

NUTRITION FACTS

Calories	320
Protein	38g
Total Fat	10g
Carbohydrates	16g
Fiber	4g
Sugar	6g
Sodium	420mg

DIRECTIONS

01 ■ **COOK**
Sauté all veggies and spices in coconut oil 5–10 min until tender. Add turkey.

02 ■ **STUFF**
Seed pepper, cut in half, fill each half with the meat mixture.

03 ■ **BAKE**
Bake at 350°F for 25–30 minutes until pepper is tender.

■ **PRO TIP**
Use red or yellow peppers for a sweeter flavor and higher vitamin C content.

■ **40+ SCIENCE**
Bell peppers contain more vitamin C than oranges. Vitamin C is essential for collagen synthesis , supporting joint cartilage health — a critical concern for active 40+ adults.

LEMON BUTTER ASPARAGUS

■ 15 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG

295 CAL

34g P 14g F 6g C

INGREDIENTS

- ~15 stalks of asparagus
- 6 oz white fish (yellowtail suggested)
- 1 tbsp lemon juice
- 1 tbsp coconut oil
- 1 tbsp Kerrygold butter

NUTRITION FACTS

Calories	295
Protein	34g
Total Fat	14g
Carbohydrates	6g
Fiber	3g
Sugar	2g
Sodium	280mg

DIRECTIONS

01 ■ **ASPARAGUS**
Sauté asparagus in coconut oil. When tender, drizzle lemon juice on top.

02 ■ **BUTTER**
Move asparagus aside. Add butter to pan on medium-high heat.

03 ■ **FISH**
Add fish to butter, cook 2–3 min per side until crispy. Salt to taste and plate.

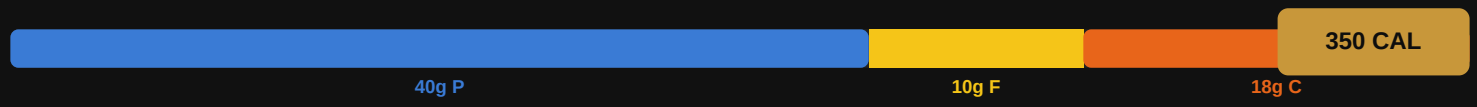
■ **PRO TIP**
The butter 'fries' the fish creating an incredible crispy exterior without breading.

■ **40+ SCIENCE**
Asparagus is one of the top food sources of folate, which supports cardiovascular health and DNA repair — both increasingly important biological processes after 40.

HEALTHY HOLIDAY COMFORT

25 MIN | 1 SERVING

PROTEIN | FAT | CARBS | VEG



INGREDIENTS

- 6 oz baked turkey tenders
- 2 cups chopped cauliflower
- 2 tbsp Kerrygold butter
- ½ tbsp minced garlic
- ½ tsp Italian seasoning, salt & pepper
- 1 green onion stalk (optional)

NUTRITION FACTS

Calories	350
Protein	40g
Total Fat	10g
Carbohydrates	18g
Fiber	5g
Sugar	4g
Sodium	380mg

DIRECTIONS

01 **STEAM**
Simmer cauliflower in water, covered, 12–15 minutes until very tender. Drain.

02 **MASH**
Add butter, garlic, spices to cauliflower. Mash until it resembles mashed potatoes.

03 **SERVE**
Top with chives and pair with baked turkey tenders.

PRO TIP
For extra creaminess, add 2 tbsp of Greek yogurt when mashing.

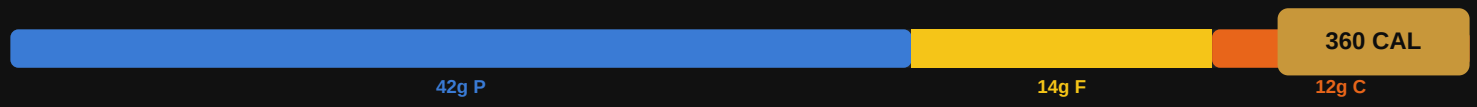
40+ SCIENCE
Cauliflower mash delivers all the comfort of mashed potatoes with 70% fewer carbs, supporting b etter blood sugar control and reduced inflammation for 40+ metabolisms.

LEMON ALMOND ROASTED SALAD

30 MIN

1 SERVING

PROTEIN FAT CARBS VEG



INGREDIENTS

- 6 oz skinless chicken breasts
- 1/3 cup plain Greek yogurt
- 1 tbsp olive oil
- 12 pieces sliced almond
- 1 tbsp lemon juice
- 1 green onion diced, 1 tbsp fresh parsley

NUTRITION FACTS

Calories	360
Protein	42g
Total Fat	14g
Carbohydrates	12g
Fiber	2g
Sugar	5g
Sodium	320mg

DIRECTIONS

01 **CHICKEN**
Season chicken, bake at 400°F for 20–25 minutes until cooked through.

02 **TOAST**
Toast almonds in dry nonstick skillet over medium-low, stirring until golden, 4–5 min.

03 **COMBINE**
Mix chicken, almonds, lemon, green onion, parsley. Fold in yogurt until coated.

PRO TIP
This works beautifully as a meal prep — make 3 days' worth and refrigerate.

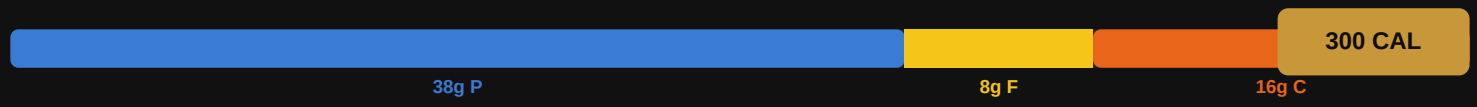
40+ SCIENCE
Almonds provide magnesium, which supports over 300 enzymatic reactions in the body. Magnesium deficiency is extremely common after 40 and linked to muscle cramps and poor sleep.

LOW CARB BROCCOLI & TUNA SALAD

■ 10 MIN + CHILL

■ 2 SERVINGS

PROTEIN FAT CARBS VEG



INGREDIENTS

- 6 cups broccoli
- 1½ cans tuna
- Small onion, chopped
- 1 cup plain Greek yogurt
- ½ cup chopped almonds
- 2 tbsp red vinegar, lemon pepper

NUTRITION FACTS

Calories	300
Protein	38g
Total Fat	8g
Carbohydrates	16g
Fiber	6g
Sugar	6g
Sodium	440mg

DIRECTIONS

01 ■ **COMBINE**
In large bowl: combine broccoli, tuna, onion, and almonds.

02 ■ **DRESSING**
In separate bowl: mix yogurt, vinegar, and seasonings.

03 ❄■ **CHILL**
Pour dressing over broccoli mix, stir well, refrigerate 1 hour before serving.

■ **PRO TIP**
Let it chill at least an hour — the flavors develop significantly.

■ **40+ SCIENCE**
Broccoli contains sulforaphane and DIM compounds that support healthy estrogen metabolism, impo
rtant for both men and women managing hormonal changes after 40.

SHRIMP & AVOCADO STUFFED SALAD

■ 10 MIN

■ 2 SERVINGS

PROTEIN FAT CARBS VEG

INGREDIENTS

- 3 large ripe avocados
- 35 oz cooked shrimp (thawed, no tails)
- 2 tbsp Greek yogurt
- 2 tbsp fresh lime juice
- 1 tbsp sriracha or hot sauce
- Salt and pepper to taste

NUTRITION FACTS

Calories	380
Protein	30g
Total Fat	22g
Carbohydrates	14g
Fiber	8g
Sugar	2g
Sodium	480mg

DIRECTIONS

01 ■ **PREP**
Cut avocados in half, remove pit. Scoop flesh into a medium bowl.

02 ■ **MIX**
Add shrimp, yogurt, lime juice, sriracha, salt & pepper. Toss to combine.

03 ■■ **SERVE**
Serve inside empty avocado skins for a stunning presentation.

■ **PRO TIP**
Serving in the avocado skin makes this visually impressive — great for guests.

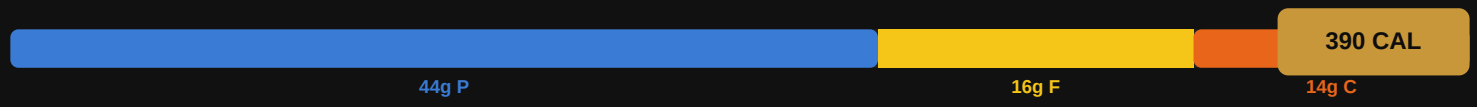
■ **40+ SCIENCE**
Avocado's monounsaturated fats paired with shrimp's lean protein creates a near-perfect anti-in flammatory meal, supporting joint health and cardiovascular function after 40.

HONEY MUSTARD CHICKEN SALAD

■ 15 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG



INGREDIENTS

- 6 oz boneless skinless chicken breast
- 1 bag spinach
- 2 ripe tomatoes
- 1/3 cup red onion
- 1/3 cup mustard
- 8 tbsp olive oil, 4 stevia packets

NUTRITION FACTS

Calories	390
Protein	44g
Total Fat	16g
Carbohydrates	14g
Fiber	4g
Sugar	6g
Sodium	360mg

DIRECTIONS

01 ■ **DRESSING**
Whisk mustard, olive oil & stevia together in small bowl until combined.

02 ■ **BUILD**
Build bowl with spinach, tomatoes, red onion.

03 ■ **TOP**
Top with heated chicken, drizzle dressing. Serve immediately.

■ **PRO TIP**
Serve the chicken warm on the cold salad — the temperature contrast elevates this dish.

■ **40+ SCIENCE**
Mustard seeds contain isothiocyanates that have been shown to reduce inflammation markers. Combined with olive oil's oleocanthal, this dressing is essentially anti-inflammatory medicine.

GARLIC SHRIMP

■ 15 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG

INGREDIENTS

- 6 oz shrimp (tails removed)
- 2 tbsp minced garlic
- 1 cup cubed tomato
- Red wine vinegar, dried basil
- ½ tsp salt
- ½ cup white rice

NUTRITION FACTS

Calories	340
Protein	32g
Total Fat	8g
Carbohydrates	32g
Fiber	2g
Sugar	4g
Sodium	520mg

DIRECTIONS

01 ■ **MARINATE**
Combine salt, garlic, tomato, vinegar & basil. Toss shrimp to coat.

02 ■ **COOK**
Heat greased skillet to medium. Pour mixture on and cook until shrimp is pink.

03 ■ **PLATE**
Remove from heat and lay atop ½ cup of white rice.

■ **PRO TIP**
Fresh minced garlic from a bulb is significantly more potent than jarred — worth the extra 2 minutes.

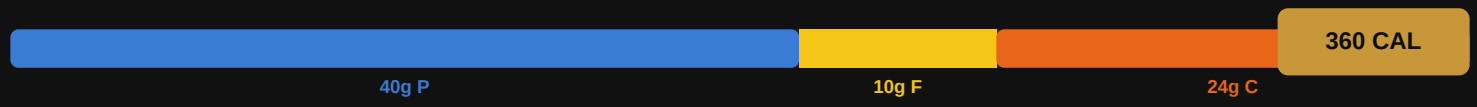
■ **40+ SCIENCE**
Garlic's allicin compound has been clinically shown to support healthy blood pressure and reduce LDL cholesterol — two of the most important cardiovascular markers to manage after 40.

TURKEY TACOS

■ 15 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG



INGREDIENTS

- 6 oz lean ground turkey
- 3–4 large romaine lettuce leaves
- ½ cup pico de gallo
- ½ cup wild rice
- Garlic powder, cayenne, onion powder, chili powder

NUTRITION FACTS

Calories	360
Protein	40g
Total Fat	10g
Carbohydrates	24g
Fiber	4g
Sugar	3g
Sodium	440mg

DIRECTIONS

01 ■■ **COOK**
Sauté turkey with all spices on medium-high until fully cooked.

02 ■ **ADD**
Stir in pico de gallo and continue cooking until thoroughly mixed.

03 ■ **ASSEMBLE**
Add to rice, distribute into lettuce shells. Top with hot sauce.

■ **PRO TIP**
Wild rice has significantly more protein and fiber than white rice — don't substitute.

■ **40+ SCIENCE**
Using romaine lettuce as a taco shell eliminates empty carbs while adding vitamin K, which supp
orts bone density — a key concern for both men and women after 40.

CHICKEN VEGGIE STIR FRY

■ 20 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG

370 CAL

42g P 8g F 30g C

INGREDIENTS

- 6 oz cooked skinless chicken breast
- ½ cup cooked brown rice
- ½ cup snap peas
- ½ cup broccoli
- Bragg's Amino Acid Soy Sauce Alternative
- Garlic powder, onion powder, red pepper flakes

NUTRITION FACTS

Calories	370
Protein	42g
Total Fat	8g
Carbohydrates	30g
Fiber	5g
Sugar	4g
Sodium	560mg

DIRECTIONS

01 ■ PREP
Chop veggies into smaller pieces.

02 ■ SAUTÉ
Cook veggies in Bragg's AA with spices at medium heat, 3–4 minutes.

03 ■ COMBINE
Add shredded chicken and rice. Mix until fully coated in sauce.

■ PRO TIP
Tear chicken into irregular pieces rather than cutting — creates better sauce adhesion.

■ 40+ SCIENCE
Snap peas are high in vitamin C and K while broccoli provides sulforaphane. This combo supports both immune function and the anti-inflammatory pathways that become more important after 40.

GUILT FREE PULLED PORK

■ 20 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG

INGREDIENTS

- 6 oz shredded pork
- ¼ cup balsamic vinegar
- 1 tbsp Worcestershire sauce
- 1 tbsp minced garlic, 2 stevia packets
- Red pepper flakes to taste
- 2/3 cup mashed sweet potato

NUTRITION FACTS

Calories	380
Protein	38g
Total Fat	10g
Carbohydrates	34g
Fiber	4g
Sugar	12g
Sodium	480mg

DIRECTIONS

01 ■ **SIMMER**
Combine all ingredients (minus potato) in greased skillet on medium-low.

02 ■■ **COOK**
Cover and let simmer 5–6 minutes until flavors meld.

03 ■ **SERVE**
Remove from heat, pair with baked sweet potato. Top potato with cinnamon/stevia.

■ **PRO TIP**
The balsamic + stevia combo creates a BBQ-like sweet-tangy sauce without the sugar load.

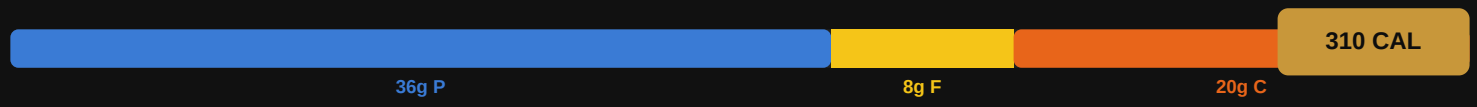
■ **40+ SCIENCE**
Sweet potato's beta-carotene converts to vitamin A, supporting immune function and skin elasticity. Combined with pork's zinc content, this meal supports multiple 40+ health priorities.

SWEET SUMMER SALAD

10 MIN

1 SERVING

PROTEIN FAT CARBS VEG



INGREDIENTS

- 6 oz cooked skinless chicken breast
- 2 cups spinach
- 2/3 cup mixed berries
- Handful of cherry tomatoes
- Apple Cider Vinaigrette for dressing

DIRECTIONS

01 **BUILD**
In a large bowl, toss spinach, tomatoes, and berries.

02 **TOP**
Top with sliced or diced chicken.

03 **DRESS**
Drizzle with Apple Cider Vinaigrette before serving.

NUTRITION FACTS

Calories	310
Protein	36g
Total Fat	8g
Carbohydrates	20g
Fiber	4g
Sugar	10g
Sodium	220mg

PRO TIP
The berries make this feel indulgent — nobody believes it's a 'diet' meal.

40+ SCIENCE
Apple cider vinegar has been clinically shown to improve insulin sensitivity, supporting blood sugar regulation after meals — particularly beneficial for 40+ adults managing metabolic health.

LOADED BAKED POTATO

■ 10 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG

INGREDIENTS

- 1 small baked potato (~2/3 cup)
- 6 oz nonfat cottage cheese
- ½ cup pico de gallo
- ¼ cup chopped green onion

NUTRITION FACTS

Calories	320
Protein	32g
Total Fat	4g
Carbohydrates	38g
Fiber	4g
Sugar	6g
Sodium	480mg

DIRECTIONS

01 ■ **BAKE**
Poke holes in potato with fork and microwave until cooked through.

02 ■ **TOP**
Layer cottage cheese on top, place under broiler 1 minute if you prefer it warm.

03 ■ **FINISH**
Top with pico de gallo and green onion. Serve immediately.

■ **PRO TIP**
Cottage cheese as a sour cream replacement is a cheat code — same creamy texture, triple t he protein.

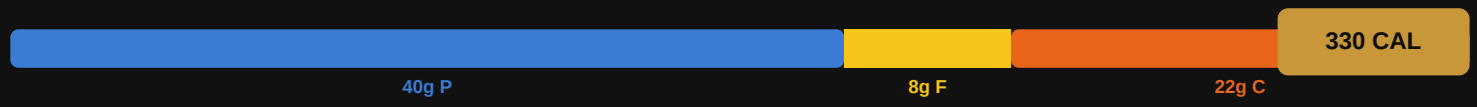
■ **40+ SCIENCE**
Potatoes contain resistant starch when cooled slightly, which acts as a prebiotic feeding benef icial gut bacteria and improving colon health — increasingly important after 40.

GRILLED TUNA BURGER & SALAD

■ 15 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG



INGREDIENTS

- 1½ cans tuna
- 1 egg white
- ½ cup dry oats
- ¼ tsp oregano, onion & garlic powder
- 2 cups romaine lettuce
- ½ cup mixed veggies of choice

NUTRITION FACTS

Calories	330
Protein	40g
Total Fat	8g
Carbohydrates	22g
Fiber	4g
Sugar	3g
Sodium	480mg

DIRECTIONS

01 ■ **MIX**
Combine tuna, egg white, oats & spices. Form into a burger patty.

02 ■ **COOK**
Cook on greased pan at medium heat, 3 minutes per side until finished.

03 ■ **SERVE**
Serve with side salad of lettuce and veggies, choice of dressing.

■ **PRO TIP**
Refrigerate the patty 15 minutes before cooking — it holds together much better.

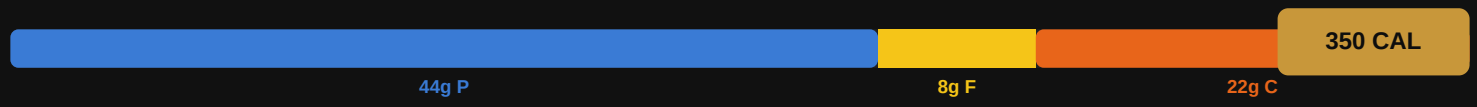
■ **40+ SCIENCE**
Canned tuna is one of the most cost-effective sources of omega-3 fatty acids, which reduce systemic inflammation and support brain health — both critical priorities after 40.

CHICKEN TACOS

■ 15 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG



INGREDIENTS

- 6 oz cooked skinless chicken breast
- ½ cup black refried beans
- ¼ cup chopped green onion
- ½ cup pico de gallo
- 4 pieces romaine lettuce
- ¼ tsp red pepper flakes

NUTRITION FACTS

Calories	350
Protein	44g
Total Fat	8g
Carbohydrates	22g
Fiber	8g
Sugar	4g
Sodium	520mg

DIRECTIONS

01 ■ **BEANS**
Heat beans in saucepan on medium-low. Mix in green onion, pico & red pepper flakes.

02 ■ **SHELLS**
Distribute bean mixture into lettuce shells.

03 ■ **TOP**
Slice chicken into thin strips, place in shells. Add salt or sauce to taste.

■ **PRO TIP**
Black beans dramatically increase the fiber content, making this one of the most satisfyin g meals in the book.

■ **40+ SCIENCE**
Black beans are one of the best dietary sources of plant-based iron and folate, nutrients that support cardiovascular health and cognitive function — both key 40+ priorities.

HEALTHY FRIED RICE

■ 15 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG

INGREDIENTS

- ½ cup cooked brown rice
- 3 oz cooked chicken
- 3 egg whites
- 1 cup mixed veggies
- Onion & chili powder
- Bragg's Soy Sauce Alternative

NUTRITION FACTS

Calories	355
Protein	36g
Total Fat	8g
Carbohydrates	36g
Fiber	4g
Sugar	4g
Sodium	580mg

DIRECTIONS

01 ■ **EGGS**
Spray skillet with PAM, medium heat. Add eggs and scramble.

02 ■ **RICE**
Add rice and mixed veggies to the scrambled eggs. Continue mixing.

03 ■ **FINISH**
Add shredded chicken and spices. Sauté in Bragg's, remove and serve.

■ **PRO TIP**
Day-old rice works best for fried rice — fresh rice is too moist and gets gummy.

■ **40+ SCIENCE**
Brown rice contains significantly more magnesium, phosphorus, and B vitamins than white rice, s
upporting the nervous system and energy metabolism that tends to slow after 40.

QUINOA CHICKEN SALAD

■ 30 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG

410 CAL

48g P 10g F 32g C

INGREDIENTS

- 6 oz cooked skinless chicken breasts
- ½ cup cooked quinoa
- ½ cup garbanzo beans
- 1½ cup fresh kale
- ¼ cup chopped red onion
- Lemon zest, white wine vinegar, cumin

NUTRITION FACTS

Calories	410
Protein	48g
Total Fat	10g
Carbohydrates	32g
Fiber	8g
Sugar	4g
Sodium	320mg

DIRECTIONS

01 ■ **COMBINE**
Toss chicken, quinoa, garbanzo beans, kale, and red onion in large bowl.

02 ■ **DRESS**
Mix lemon juice/zest, white wine vinegar, cumin, salt & pepper. Pour over salad.

03 ■ **TOSS**
Toss until everything is evenly coated. Serve chilled or at room temperature.

■ **PRO TIP**
Massage the kale with a bit of lemon juice first — it breaks down the tough fibers.

■ **40+ SCIENCE**
Quinoa is one of the only plant foods containing all 9 essential amino acids, making it ideal f
or maintaining muscle protein synthesis in the 40+ body where protein efficiency naturally decreases.

SEARED WHITEFISH COUSCOUS SALAD

20 MIN | 1 SERVING

PROTEIN | FAT | CARBS | VEG

INGREDIENTS

- 6 oz white fish
- 1 cup couscous
- 1 cup chopped cucumber
- ½ cup diced red onion
- 2 tbsp fresh lemon juice
- 2 tbsp fresh mint leaves, garlic

NUTRITION FACTS

Calories	360
Protein	38g
Total Fat	8g
Carbohydrates	34g
Fiber	3g
Sugar	4g
Sodium	320mg

DIRECTIONS

01 **SEASON**
Add salt and pepper to both sides of white fish.

02 **COUSCOUS**
Reheat couscous, stir in onion, mint, lemon juice and cucumber.

03 **PLATE**
Serve fish on the side with fresh squeezed lemon.

PRO TIP
Fresh mint is non-negotiable in this recipe — it transforms the whole dish.

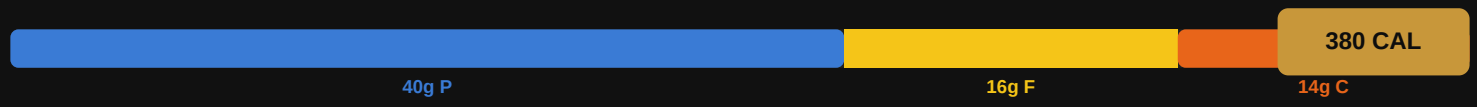
40+ SCIENCE
White fish is exceptionally high in selenium, a mineral that supports thyroid function — a key metabolic regulator that becomes increasingly important to support after 40.

THAI BEEF SALAD

■ 20 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG



INGREDIENTS

- 6 oz lean steak
- 100g baby cos lettuce hearts
- ½ cup mint, coriander, bean sprouts, t omato
- ½ cucumber sliced, ½ red onion sliced
- 1 tbsp lime juice, 1 tsp Bragg's soy a lternative
- 1 tsp chili flakes

NUTRITION FACTS

Calories	380
Protein	40g
Total Fat	16g
Carbohydrates	14g
Fiber	4g
Sugar	5g
Sodium	480mg

DIRECTIONS

01 ■ **MARINATE**
Marinate steak in soy sauce, fish sauce & lime juice.

02 ■ **COOK**
Cook steak 2–3 min per side to desired texture. Set aside to rest.

03 ■ **ASSEMBLE**
Combine all veggies in bowl. Thinly slice steak across grain and add on top.

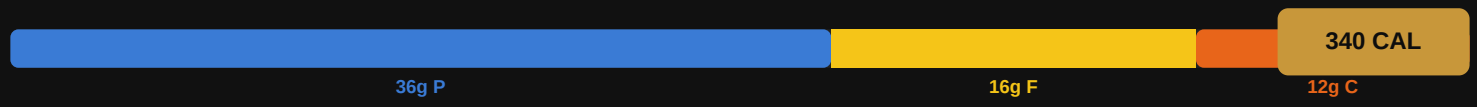
■ **PRO TIP**
Slice steak against the grain — it makes a dramatic difference in tenderness.

■ **40+ SCIENCE**
Lean red meat provides the highest bioavailable source of iron and zinc. After 40, absorption o f these minerals decreases, making high-quality red meat a valuable part of a strategic diet.

AVOCADO TUNA SALAD

5 MIN | 1 SERVING

PROTEIN | FAT | CARBS | VEG



INGREDIENTS

- ½ avocado
- 1½ cans tuna
- 1 cup diced tomato
- 1½ tbsp lime juice
- ½ tsp chili powder
- Sriracha to taste

NUTRITION FACTS

Calories	340
Protein	36g
Total Fat	16g
Carbohydrates	12g
Fiber	6g
Sugar	4g
Sodium	480mg

DIRECTIONS

01 **MASH**
Mash avocado in a bowl.

02 **COMBINE**
Add tuna and diced tomato to mashed avocado.

03 **SEASON**
Stir in lime juice and chili powder. Top with sriracha.

PRO TIP
This is a 5-minute power meal — keep canned tuna and avocados stocked at all times.

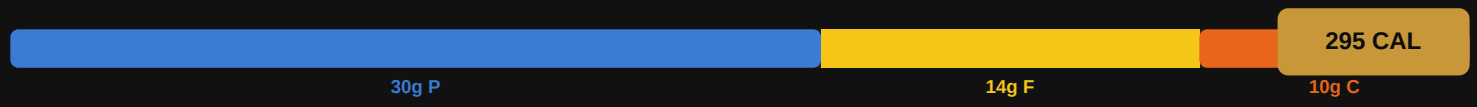
40+ SCIENCE
The combination of omega-3s from tuna and monounsaturated fats from avocado creates a synergistic anti-inflammatory effect that supports brain health and joint function after 40.

SPICY THAI SHRIMP SALAD

■ 15 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG



INGREDIENTS

- 6 oz jumbo shrimp (no tail)
- 1 tbsp lime juice
- 1 tsp fish sauce
- 2 tbsp coconut oil, 2 stevia packets
- ½ tsp crushed red pepper
- 2 handfuls mixed greens + 1 veggie of choice

NUTRITION FACTS

Calories	295
Protein	30g
Total Fat	14g
Carbohydrates	10g
Fiber	3g
Sugar	4g
Sodium	580mg

DIRECTIONS

01 ■ **DRESSING**
Whisk lime juice, fish sauce, coconut oil, stevia & red pepper in large bowl.

02 ■ **ADD**
Add shrimp, greens and veggies to dressing bowl.

03 ■ **TOSS**
Add fresh herbs if desired. Toss everything to coat and serve.

■ **PRO TIP**
Fish sauce is the secret weapon — just a teaspoon adds incredible depth.

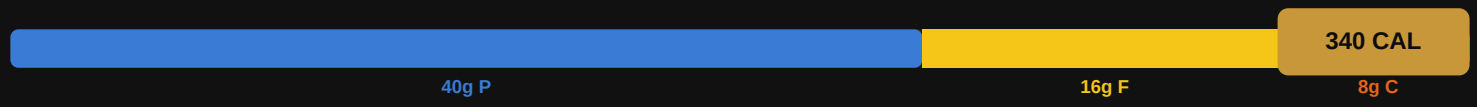
■ **40+ SCIENCE**
Shrimp is one of the leanest protein sources available, providing iodine that directly supports thyroid function and the metabolic regulation that becomes critical after 40.

CRISPY CHICKEN & BRUSSEL

■ 20 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG



INGREDIENTS

- 6 oz skinless chicken breast
- 1 cup brussels sprouts (halved)
- 2 tbsp coconut oil
- ¼ tsp garlic powder
- 1 tbsp lemon juice

DIRECTIONS

01 ■ **SPROUTS**
Toss brussels in 1 tbsp coconut oil, garlic powder and salt.

02 ■ **CHICKEN**
Heat skillet to medium-high. Add remaining oil, fry thinly sliced chicken until crispy.

03 ■ **COMBINE**
Add sprouts to skillet with chicken. Sauté on medium-low, add lemon juice.

NUTRITION FACTS

Calories	340
Protein	40g
Total Fat	16g
Carbohydrates	8g
Fiber	4g
Sugar	2g
Sodium	260mg

■ **PRO TIP**
The key is getting the chicken truly crispy before adding the sprouts — patience pays off.

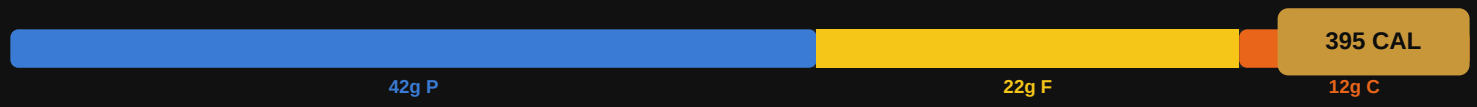
■ **40+ SCIENCE**
Brussels sprouts contain more vitamin C per serving than oranges, supporting collagen synthesis . Paired with lean protein, this meal is specifically designed for tissue repair and recovery after 40.

THAI PEANUT CHICKEN

■ 20 MIN

■ 1 SERVING

PROTEIN FAT CARBS VEG



INGREDIENTS

- 6 oz skinless chicken breast
- 2 tbsp peanut butter
- 2 tbsp Bragg's soy sauce alternative
- 1 tbsp lemon juice
- 1 tbsp rice vinegar
- 1 cup mixed veggies of choice

NUTRITION FACTS

Calories	395
Protein	42g
Total Fat	22g
Carbohydrates	12g
Fiber	3g
Sugar	4g
Sodium	480mg

DIRECTIONS

01 ■ **SAUCE**
Microwave peanut butter slightly. Whisk with Bragg's, lemon, vinegar & cayenne.

02 ■ **CHICKEN**
Shred or slice cooked chicken into thin pieces.

03 ■ **SERVE**
Toss chicken and veggies in sauce. Top with salt, green onion or sesame.

■ **PRO TIP**
Add sriracha or chili oil for extra heat. Great over cauliflower rice for low-carb.

■ **40+ SCIENCE**
Peanut butter's monounsaturated fats support joint lubrication. The lean protein from chicken h elps maintain muscle mass as metabolism slows with age after 40.

SHAKES

4 RECIPES

BLUEBERRY PIE SMOOTHIE

5 MIN

1 SERVING

PROTEIN FAT CARBS VEG

INGREDIENTS

- 1 scoop vanilla protein powder
- 2 handfuls spinach
- 2/3 cup mixed frozen berries
- 1 cup cold water
- 1 tsp vanilla, 2 stevia packets
- Dash of cinnamon

NUTRITION FACTS

Calories	220
Protein	26g
Total Fat	2g
Carbohydrates	24g
Fiber	4g
Sugar	12g
Sodium	120mg

DIRECTIONS

01 **BLEND**
Add all ingredients to blender.

02 **MIX**
Blend until smooth and creamy.

03 **SERVE**
Pour into glass and serve immediately.

PRO TIP
The spinach is completely undetectable in flavor — don't skip it. Free vegetables.

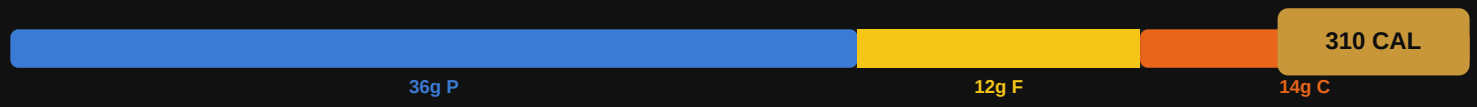
40+ SCIENCE
Blueberries are among the highest antioxidant foods available, providing anthocyanins that cros s the blood-brain barrier and directly support cognitive function — a key 40+ priority.

VANILLA ALMOND SHAKE

5 MIN

1 SERVING

PROTEIN FAT CARBS VEG



INGREDIENTS

- 1½ scoops vanilla protein powder
- 2 tbsp smooth peanut butter
- 1 cup water
- Handful of ice

DIRECTIONS

01 **ADD**
Combine protein powder, peanut butter, water and ice in blender.

02 **BLEND**
Blend until smooth. Add more ice for a thicker consistency.

03 **SERVE**
Pour and serve immediately for best texture.

NUTRITION FACTS

Calories	310
Protein	36g
Total Fat	12g
Carbohydrates	14g
Fiber	2g
Sugar	6g
Sodium	200mg

PRO TIP
This doubles as a post-workout recovery shake and a meal replacement.

40+ SCIENCE
The combination of fast-digesting whey protein and slow-digesting fat from peanut butter create s an extended release of amino acids — supporting muscle repair over 4–6 hours post-workout.

CAKE FOR BREAKFAST

5 MIN

1 SERVING

PROTEIN FAT CARBS VEG

INGREDIENTS

- 1 scoop vanilla protein powder
- 2/3 cup ground dry oats
- 1 tsp vanilla, 1 stevia packet
- Dash of salt & sprinkles
- 1 cup water, handful of ice

NUTRITION FACTS

Calories	260
Protein	28g
Total Fat	4g
Carbohydrates	28g
Fiber	3g
Sugar	5g
Sodium	160mg

DIRECTIONS

01 **ADD**
Combine all ingredients in blender.

02 **BLEND**
Blend until smooth and thick.

03 **SERVE**
Pour into glass. Add sprinkles on top for the full experience.

PRO TIP
Grind the oats in a coffee grinder first for an ultra-smooth, true milkshake texture.

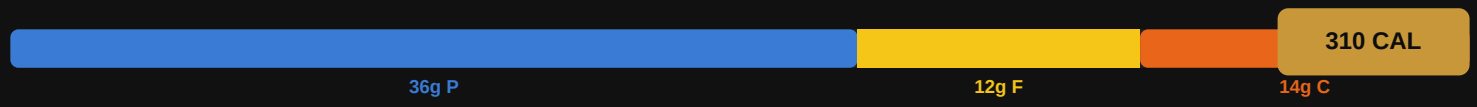
40+ SCIENCE
Starting the day with protein-enriched oats stabilizes blood glucose for 3–4 hours, reducing th e mid-morning cortisol spike that contributes to belly fat accumulation after 40.

PB SANDWICH SHAKE

5 MIN

1 SERVING

PROTEIN FAT CARBS VEG



INGREDIENTS

- 1½ scoops strawberry or chocolate protein
- 2 tbsp smooth peanut butter
- 1 cup water
- Handful of ice

DIRECTIONS

01 **COMBINE**
Add protein, peanut butter, water and ice to blender.

02 **BLEND**
Blend 30–45 seconds until smooth and frothy.

03 **SERVE**
Pour and enjoy. This genuinely tastes like a dessert.

NUTRITION FACTS

Calories	310
Protein	36g
Total Fat	12g
Carbohydrates	14g
Fiber	2g
Sugar	8g
Sodium	200mg

PRO TIP
Use strawberry protein for the classic PB&J experience. Chocolate for something richer.

40+ SCIENCE
Peanut butter is one of the most calorically efficient fat sources for supporting testosterone production — a key hormone that declines after 40 and directly impacts energy and muscle retention.

BALSAMIC VINEGAR DRESSING

■ 2 MIN

■ 4 SERVINGS

PROTEIN FAT CARBS VEG

20 CAL

0g P

5g C

INGREDIENTS

- ½ cup water
- ¼ cup balsamic vinegar
- 2 packets splenda/stevia
- 1 tsp onion salt
- 1 tsp garlic powder
- ¼ tsp dried mustard

NUTRITION FACTS

Calories	20
Protein	0g
Total Fat	0g
Carbohydrates	5g
Fiber	0g
Sugar	3g
Sodium	220mg

DIRECTIONS

01 ■ **COMBINE**
Add all ingredients to a jar or container with a tight lid.

02 ■ **SHAKE**
Shake vigorously until thoroughly combined.

03 ❄■ **STORE**
Refrigerate and shake again before each use.

■ **PRO TIP**
Variations: add dill seed for Dilly Dressing, or minced green onions for Green Onion Dressing.

■ **40+ SCIENCE**
Balsamic vinegar contains acetic acid and polyphenols that help regulate blood sugar response after meals — making this the smart dressing choice for 40+ adults managing metabolic health.

VERSATILE VINEGAR DRESSING

2 MIN

4 SERVINGS

PROTEIN FAT CARBS VEG

10 CAL

0g F

2g C

INGREDIENTS

- ½ cup cold water
- ½ cup white vinegar
- ½ tsp salt
- ½ tsp dry mustard
- 1/8 tsp pepper
- 1 dash paprika

NUTRITION FACTS

Calories	10
Protein	0g
Total Fat	0g
Carbohydrates	2g
Fiber	0g
Sugar	0g
Sodium	280mg

DIRECTIONS

01 **COMBINE**
Add all ingredients to a small jar.

02 **SHAKE**
Shake until fully combined.

03 **USE**
Pour over salads. Refrigerate remaining dressing.

PRO TIP
The lightest dressing in the book — perfect for days when you're watching total calories.

40+ SCIENCE
White vinegar's acetic acid has been shown in multiple studies to reduce post-meal blood glucos e spikes by up to 20%, supporting insulin sensitivity that tends to decline after 40.

'HONEY' MUSTARD DRESSING

2 MIN

4 SERVINGS

PROTEIN FAT CARBS VEG

35 CAL

1g P 1g F 7g C

INGREDIENTS

- 1 cup balsamic vinegar
- ¼ cup yellow or spicy mustard
- 3 packets of stevia

DIRECTIONS

01 **MIX**
Combine balsamic vinegar, mustard and stevia in a bowl.

02 **WHISK**
Whisk until smooth and stevia is fully dissolved.

03 **TOSS**
Toss directly into salad and serve.

NUTRITION FACTS

Calories	35
Protein	1g
Total Fat	1g
